

Ideal for larger household with large dust bag capacity

The Nilfisk VP930 is made for lager household. Enjoy the unique design with smart parking as a new feature.

H13 HEPA filtration placed in the bottom of the vacuum cleaner offering top air quality and exhaust rating.

The low sound level makes the machine one of the most quiet and environmentally friendly vacuum cleaners in the market.

The dust bag has a large capacity of 15 litres. The design optimises air flow patterns and reduces energy losses to an absolute minimum. The result is an exceptional suction power.
