DATASHEET

Technical Information:

Model: PP BLACK BASE M8020 4x100-NEW
Color: Black
Material: PP - Polypropylene. (includes between 50-70% post industrial recycled PP)

Item Code: F2PP-1811M802000MN

Outer dimensions(mm): 235x148x36

Length X Width X H

Internal dimensions(mm): 216x128x36

Length X Width X H

Standard Weight (g) 16,80

Total Capacity: 595cc

Tolerance (%): +/- 10

Temperature (°C): -18/100

Capacity Tolerance(%): +/- 10cc

Compartments Capacity:

375cc

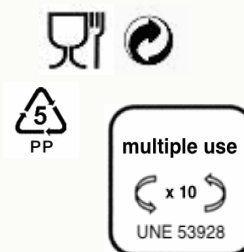

110cc

110cc

Notes:

Embalagem de base preta com 3 divisórias. Base M-8020, needs lid M-8020.

Ficha emitida em 19-05-2022

Distribution:

Box Dimensions (mm): 600 X 240 X 590

Nr. Unit/Box: 400,00

Nr. Bags/Box: 4

Nr. UNIT/Bag: 100

Gross Weight Box [KG]: 7,44

EAN BOX Code: 5600347914883

EAN SLEEVE Code: 5600347910403

Are multiple use, having been designed, conceived and placed on the market with the objective of completing, throughout their life cycle, a minimum number of journeys or rotations based on refilling or multiple use for the same purpose for which they were originally conceived. The suitability of packaging for multiple use is corroborated by chemical tests (migration tests) carried out periodically in a specialised laboratory accredited in accordance with the standard NP EN ISO/IEC 17025. The suitability for multiple use is also duly certified by physical and mechanical tests, carried out in accordance with the requirements of Standard UNE 53928 (reusable plastic tableware for food use), which attest the packaging ability to withstand 10 washing cycles in a dishwasher.

This document was issued in English, given that this is the standard language that we use for foreign entities and to issue these kinds of documents. We believe that given that there is not any primacy with any other European language, the use of English language must be accepted.
