### Description:

The 3M Scotch-Brite™ Green Floor Pad is a premium quality floor maintenance wet scrubbing pad, made of high quality synthetic fibre, in an open textured non-woven construction. Cleaning particles are dispersed throughout and bonded with a durable adhesive.

Each floor pad has a pre-cut centre hole.

### Special Features:

- Medium aggressive pad to remove marks and soil
- Open web construction to collect soil from floors
- Easy washing of pad after use.
- Consistent performance
- Durable pad at work.

### Where and When to Use:

RPM	150-500	1200
Strip	X	
Scrub	XX	
Spray		
Scrubber dryer	XX	
Buff		

XX Designed for X suitable

The 3M Scotch-Brite™ Green Floor Pad can be used with standard speed rotary floor machines or automatic scrubber-drier, for daily wet scrubbing of non fragile floors .

It is also used to prepare hard floors for recoating with floor finish and for stripping soft floors such as linoleum or soft vinyl.

### Directions for Use: (cleaning under Swing machine)

1. Install under the machine pad holder
2. Dust mop or sweep the area.
3. Wet scrub the area using detergent solution
4. Pick up dirty solution with vacuum cleaner
5. Rinse with clear water and let dry before recoating or re-opening to traffic
6. Remove pad and wash it

### Maintenance of pad:

1. Remove pad from machine after each use
2. Rinse wash under tap water or keep pads soaked in detergent solution to dissolve caked on dirt and finish. Do not let dirty pads dry before washing.
3. Rinse and hang up for drying.

### Performance Advantages:

Removes more black marks. Scrub a floor up to 2 times faster (3M Lab tests)

Durability: 7 000 sqm at 150 RPM in standard use with appropriate maintenance.

### Disposal Information:

Discard into appropriate container, for incineration, if available.

Packaging material: recyclable

### Product Specifications:

The 3M Scotch-Brite™ Green Floor Pad mainly consist of nylon fibres and synthetic adhesives. It is not significantly affected by water, detergents and cleaners normally used for floor maintenance.

### Product Characteristics:
